White Label Implementation Time

RECORD TIME: 1-2 WEEKS!*

*On average, most white label vendors take 3-6 months for an implementation. We deliver at record speed while maintaining the same level of quality. We save your valuable time and money.

Why **TechStack** White Label?

While other platforms offer similar functionality, they do not provide the same flexibility and ease of implementation as Techstack White Label ©

- Fair and transparent pricing
- Fast implementation (legal part on the client's side)*
- No extensive KYB processes
- No bureaucracy
- No need to open bank accounts
- No long implementation times (3-6 months)
- No expensive setup fees (\$500k+)

*Our services don't include legal assistance

What makes us stand out from the rest?

- ✓ Crypto-First orientation
- ✓ 19+ collaterals / trading pairs
- ✓ No bureaucracy
- ✓ Start ASAP

Why a Crypto Broker ?

- + No banks/middleman involved
- + No chargebacks and fraud
- + Higher margins
- + Faster money transfers
- + Cheaper processing
- + Super cost-effective
- + 1 Billion global Crypto users*
- + Fast growing market
- + Open 24/7
- + Referral program with promo codes

According to Crypto.com research: <https://finance.yahoo.com/news/global-crypto-users-reach-1-101646507.html>

Deposits are handled through **crypto payments**. This means: no need for classic bank account/s and complex licensing processes.

Lower processing costs and better fraud protection for crypto payments guarantee greater business resilience (especially in times of Covid-19).

Your customers' money doesn't have to be in 3rd party bank accounts, instead it is instantly available on the platform in a matter of minutes.
